The attributes of Memphis have contributed to her growth in population. This growth has necessitated the establishment of new churches, schools, and industries. Typical of the growth and progress of Memphis is East High School. The city's eastward expansion necessitated the erection of this fine building. With a kindergarten and twelve grades East High is the newest high school in Memphis. In the fall of 1954 a large auditorium added the finishing touch.

East High School holds the respect, loyalty, and devotion of every student within her walls. Yes, "These days with you will never die, nor will our love for you."

DEDICATION

TO

Mr. Virgil Cole

It is with a great deal of pride and admiration that we extend heart-felt appreciation to Mr. Cole for his seven years at East High School. His friendliness and eagerness to help everyone have made us feel that he is a sincere friend of the student body and faculty.

For his services as teacher of biology and physics, attendance teacher, and arranger of our yearly schedule, we heartily dedicate our 1955 Mustang.

In 1954, because of three victories, East had its most successful season. Helena, Arkansas, fell 12 to 0 followed by an exciting 19 to 13 homecoming win over Catholic. The highlight of the season was a 44 to 0 blanking of Millington, Tennessee. The Mustangs gained a moral victory when they were barely edged 7 to 6 by powerful Blytheville, Arkansas. In the line Gene Greene's savage play led the way. Charlie Upchurch, Jimmy Page, Reed Knight, Tom Bond, Ray Daniel, Gordon Buckingham (man of all positions), also moved well up front.

Pony backs such as Richard Hussey, Mike Stoakes, Bill Hanna, Bobby Houston, Billy Grisso, and All Memphis Jim Butler helped to make up one of the strongest backfields in the history of the school.

A big increase in the attendance was proof that the student body was solidly behind a team which, though lacking in reserves, had a fine desire to play.

NATIONAL HONOR SOCIETY

The East Chapter of the National Honor Society, founded in 1951, selects its members on the basis of Scholarship, Character, Leadership, and Service. To be eligible for membership, a student must rank in the upper ⅓ of his class scholastically.

The emblem of the National Honor Society is the Keystone with the flaming torch.

East's chapter has two inductions each year. In the fall 10% of the senior class may be inducted; in the spring the Honor Society considers for membership 5% of the junior class. At the present time there are twenty-two seniors in the Honor Society.

Our purpose is to uphold the qualities of the Honor Society by creating enthusiasm for scholarship, stimulating the desire to render service, promoting high standards of leadership, and encouraging the development of character.

The Key Club, an international organization sponsored by Kiwanis International, is made up of thirty outstanding or "key" boys in grades ten through twelve.
